

EEO-1 Report on U.S.-based employees

General Information

At Royalty Pharma, our culture fosters an environment in which everyone feels respected and valued and diversity, equity and inclusion (DE&I) are critical.

We embrace strong values and take decisive action with and for our employees, counterparties, suppliers and communities.

The information that follows on the diversity of our workforce mirrors the requirements for annual submission to the U.S. Equal Employment Opportunity Commission (EEOC) and reflects our demographics as of December 31, 2021.

The EEOC report speaks as to a single point in time and mandates the use of specific job categories, which do not reflect how we organize our workforce. This representation data is collected from all U.S. employees.

Although it is not possible to fully understand our DE&I journey in a single chart or at a single point in time, we disclose this information because we want to be transparent about our workforce diversity. To learn more about our DE&I strategy and initiatives, please visit our website, www.royaltypharma.com, under “Corporate Responsibility—Social & Human Capital” and the Investors section of our website.
